

CLIMATE SUMMIT 2025

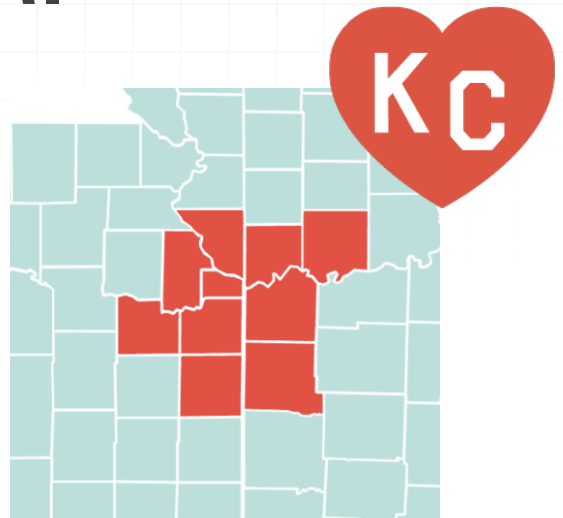

ACTION. TOGETHER.

Climate Action KC's core fundraiser, this Summit funds **collaboration, action** and **programming** across the region.

Join climate leaders from across sectors and across the region. We will celebrate good work, measure progress and recommit ourselves to the work that remains. This fourth CAKC Summit in 2025 marks a fresh milestone toward our regional goals leading to a Net Zero Region by 2050. There is no time more pressing than now to capitalize on local momentum, and line out new strategies for greater collaboration and efficiency.

The Summit is a chance to build resolve, to learn from one another, and to set our collective sights on future progress.

Please support this critical work and join us for the largest climate summit in the region.

When: Saturday, April 5, 2025 1 PM - 5 PM

Where: Unity Temple on the Plaza 707 W. 47th Kansas City, MO 64112
